

Fun Facts about Geocaching and GPS

Test your knowledge with this quiz. The answers are upside down in the lower right corner of the placemat.

- 1. The "G" in "GPS" stands for _____
- 2. The first geocache was hidden in what U.S. state? _____
- 3. GPS satellites orbit the earth at _____ miles high.
- 4. "FTF" stands for "First to _____"
- 5. Non-cachers are called _____

Circle the two (and only two) Geocoins that are *exactly* the same.
